WHO RULES BRITANNIA?

RESTORE BRITISH CONTROL

THE PEOPLE of this country have a right to feel proud of being British — for Britain has a fine history and an honourable heritage. But our once proud Nation has little future unless we fight to restore British control over British affairs. A look at who rules Britannia will show that Britain's freedom in all walks of life has been surrendered. Only the National Front has the policies to make our country strong, free and independent once more.

BRITISH CONTROL OF BRITISH INDUSTRY

British Industry is increasingly controlled by huge foreign multi-nationals, which owe no loyalty to Britain or their British workforces.

■The National Front wants British control of British Industry. British businesses now owned by the multi-nationals must be owned by British people. Wherever possible businesses should be directly owned and controlled by their workforces through the introduction of widespread co-operative ownership.

BRITAIN has a military history second to none — yet now we are reduced to being the pawn of America. Thousands of U.S. troops are stationed at over a hundred bases in Britain — threatening to involve us in a nuclear war between the USA and Soviet Union. A war which has nothing to do with Britain yet threatens to destroy us!

■The National Front wants Britain strong and free. All foreign bases must be removed from British soil. Instead Britain must have a policy of Armed Neutrality — the only defence policy that makes sense in today's dangerous world.

SET BRITAIN FREE!

SINCE Britain joined the Common Market we have been under the control of Brussels Bureaucrats. We have been forced to accept Common Market orders and forbidden to protect our endangered industries.

■The National Front wants British affairs controlled by an elected British Government, not unelected bureaucrats hundreds of miles away. We say — *Set Britain Free from the EEC!*

ONLY THE BRITISH SHOULD RULE BRITANNIA!

★End the rule of the multi-nationals over our economy.
★End the rule of America over our defences.
★End the rule of the Brussels Bureaucrats over our affairs.
